Out of our minds

## Fill in the gaps

### We ll be coming back by Calvin Harris

We took it all apart	Someone had to draw the line
But I'm wishing I'd stayed	We'll be coming back for you one day
In the back room something I heard you say	We'll be coming back for you one day
We didn't want to (1) it too early	I don't even (5) if I know you
Now it seems a world away	Out of our minds
But I miss the thing	Had to leave it all behind
Are we ever gonna feel the same?	We'll be coming back for you one day
Standing in the light till it's over	We'll be coming (6) for you one day
Out of our minds	Gonna rise, gonna fool
Someone had to draw the line	(7) pulled apart
We'll be coming back for you one day	And we all do it all because it stole our hearts
We'll be coming back for you one day	Gonna (8) up the skies, so ignore the stars
I don't even care if I know you	And we all do it all because it stole our hearts
Out of our minds	Standing in the (9) till it's over
Had to leave it all behind	Out of our minds
We'll be coming back	Someone had to draw the line
We'll be coming back for you one day	We'll be coming back for you one day
You can see it from afar	We'll be coming back for you one day
We were (2) that wave	I don't even care if I know you
Blinded by the lights, and it's something not great	Out of our minds
We didn't (3) to (4) it too early	Had to leave it all behind
Now it seems a world away	We'll be coming back for you one day
But I miss the thing	We'll be coming back for you one day
Are we ever gonna feel the same?	
Standing in the light till it's over
