## SUB inglés

## Fill in the gaps

## We ll be coming back by Calvin Harris

We took it all apart			Someone had to draw the	e line
But I'm wishing I'd stayed			We'll be (6)	_ back for you one day
In the back room something I (1)	_ you say		We'll be coming (7)	for you one day
We didn't want to call it too early			I don't even care if I know	you
Now it seems a world away			Out of our minds	
But I miss the thing			Had to leave it all behind	
Are we ever gonna feel the same?		We'll be coming back for you one day		
Standing in the light till it's over			We'll be coming back for	you one day
Out of our minds			Gonna rise, (8)	fool
Someone had to draw the line			Getting pulled apart	
We'll be coming back for you one day			And we all do it all because	se it stole our hearts
We'll be coming back for you one day			Gonna light up the skies,	so ignore the stars
I don't (2) care if I know you			And we all do it all because	se it (9) our hearts
Out of our minds			Standing in the light till it's	s over
Had to leave it all behind			Out of our minds	
We'll be coming back			Someone had to draw the	e line
We'll be coming back for you one day			We'll be coming back for	you one day
You can see it (3) afar			We'll be (10)	back for you one day
We were riding that wave			I don't even care if I know	you
Blinded by the lights, and it's (4)		not	Out of our minds	
great			Had to leave it all behind	
We didn't (5) to call it too early			We'll be coming back for	you one day
Now it seems a world away			We'll be coming back for	you one day
But I miss the thing				
Are we ever gonna feel the same?				
Standing in the light till it's over				
Out of our minds				

- 1. heard
- 2. even
