

## Fill in the gaps

## See you again by Carrie Underwood

Said goodbye, turned around	I will carry you with me
And you were gone, gone, gone	Till I see you again
Faded into the setting sun	Sometimes I feel my heart is breaking
Slipped away but I won't cry	But I stay (9) and I hold on because I know
Because I (1) I'll never be lonely	I will see you again
For you are the (2) to me	This is not where it ends
You are the (3) I follow	I will carry you with me
I will see you again	I will see you again
This is not where it ends	This is not where it ends
I (4) (5) you with me	I will carry you with me
Till I see you again	Till I see you again
I can hear those (6) in the wind at night	Till I see you again
Calling me back in time	Till I see you again
Back to you in a place far away	(10) I see you again
Where the water (7) the sky	Said goodbye, turned around
The (8) of it makes me smile	And you were gone, gone, gone
You are my tomorrow	
I will see you again	
This is not where it ends
