See you again by Carrie Underwood

Said goodbye, (1) around	I (10) carry you with me
And you were gone, gone	Till I see you again
Faded into the setting sun	Sometimes I feel my (11) is breaking
(2) away but I won't cry	But I (12) (13) and I hold or
Because I know I'll never be lonely	because I know
For you are the stars to me	I will see you again
You are the light I follow	This is not where it ends
I will see you again	I will (14) you (15) me
(3) is not where it ends	I will see you again
I (4) carry you (5) me	(16) is not where it ends
Till I see you again	I (17) carry you with me
I can hear (6) (7) in the wind at	(18) I see you again
night	(19) I see you again
Calling me back in time	Till I see you again
(8) to you in a place far away	(20) I see you again
(9) the water meets the sky	Said goodbye, (21) around
The thought of it makes me smile	And you were gone, gone, gone
You are my tomorrow	
I will see you again
