

Fill in the gaps

See you again by Carrie Underwood

| (1) goodbye, turned around | I will carry you (13) me |
|---------------------------------------------|------------------------------------------------|
| And you were gone, gone, gone | Till I see you again |
| Faded into the setting sun | Sometimes I (14) my (15) is |
| (2) but I won't cry | breaking |
| Because I know I'll never be lonely | But I stay strong and I hold on because I know |
| For you are the stars to me | I (16) see you again |
| You are the (4) I follow | This is not where it ends |
| I will see you again | I will (17) you with me |
| (5) is not (6) it ends | I will see you again |
| I will carry you (7) me | This is not where it ends |
| Till I see you again | I will carry you with me |
| I can (8) those echoes in the wind at night | (18) I see you again |
| (9) me back in time | (19) I see you again |
| Back to you in a place far away | (20) I see you again |
| (10) the (11) meets the sky | Till I see you again |
| The (12) of it makes me smile | Said goodbye, (21) around |
| You are my tomorrow | And you were gone, gone, gone |
| I will see you again | |
| This is not where it ends | |
