See you again by Carrie Underwood

Said goodbye, turned around			I will carry you with me	
And you were gone, gone, gone			Till I see you again	
Faded into the setting sun			Sometimes I feel my heart is breaking	
Slipped away but I won't cry			But I stay strong and I (5) on (6)	
(1)	I (2)	I'll never be lonely	I know	
For you are the stars to me			I will see you again	
You are the light I follow			This is not where it ends	
I will see you again			I will carry you with me	
This is not (3) it ends			I will see you again	
I will carry you with me			This is not where it ends	
Till I see you again			I (7) carry you with me	
I can (4) those echoes in the wind at night			Till I see you again	
Calling me back in time			Till I see you again	
Back to you in a place far away			Till I see you again	
Where the water meets the sky			(8) I see you again	
The thought of it makes me smile			(9) goodbye, (10) around	
You are my tomorrow			And you were gone, gone, gone	
I will see you a	again			
This is not who	ere it ends
