

## Fill in the gaps

## See you again by Carrie Underwood

Said goodbye, turned around	I will carry you (5) me
And you were gone, gone	Till I see you again
(1) (2) the setting sun	Sometimes I feel my (6) is breaking
Slipped away but I won't cry	But I (7) strong and I hold on because I know
(3) I know I'll never be lonely	I will see you again
For you are the stars to me	This is not where it ends
You are the light I follow	I will carry you with me
I will see you again	I will see you again
This is not where it ends	This is not (8) it ends
I will carry you with me	I will carry you with me
Till I see you again	(9) I see you again
I can hear those echoes in the wind at night	Till I see you again
Calling me back in time	Till I see you again
Back to you in a place far away	Till I see you again
Where the water meets the sky	Said goodbye, turned around
The thought of it makes me smile	And you were gone, gone, gone
You are my tomorrow	
I will see you again
