I wish I could tell you by ChiÃ¶le Howl

It's just collecting dust
I see the lighter that we shared
It's just begun to rust
I should've let you know but she was so much better
But if I let you know would that make you (1)_____ her?
I (2)_____ I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could move on now
It gets a (3)_____ hard to sleep knowing you were here
This other guy's (4)_____ for me but you won't disappear
I lost my breath and stumbled over the idea of you
But it never caught up with the reality of what you do
I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could (5)_____ the words to say
We could move on, we could move on now
You're playing with my mind

I'm (6)_____ of hearing you pretending you care
But never going to apologize
I know you're lying through your teeth
But you're swearing on your life
And there's no language that I know
To make you understand
I'm letting you go
I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe (7)_____ (8)_____ would go away
If I could find the words to say
We could (9)_____ on, we could move on now
Move on, move on now
I wish I (10)_____ tell you
Move on, move on now
I wish I could tell you
Move on, move on
I wish I could tell you but I just move on
