

Fill in the gaps

When she turned thirteen she (1) astray		Her sister got with him	
With her brother's dealer, so they say		She wishes she didn't	
She had a baby yesterday		And now they're all singing	
Perhaps it's just a rumour		I'm just trying to work out	
They kept her prisoner growing up		How to be like myself	
Told her Jesus was enough		I'm just trying to work out	
She's (2) into dirty stuff		These cards I've been dealt	
Perhaps it's just a rumour		I'm just trying to (6) out	
And if you asked her she'd say:		How to be like myself	
I'm just trying to work out		I'm just trying to work out	
How to be like myself		These cards I've been dealt	
I'm just trying to (3) out		Because she did it, she did it	
These cards I've been dealt		My bed is forbidden	
See that girl she's looking great		He's fitting she isn't	
She used to be quite over weight		She keeps her face hidden	
She may not be entirely straight		She told (7) good ridda	nce
Perhaps is just a rumour		Her sister got with him	
Always did as she was told		She wishes she didn't	
(4) she's	on the dole	And now they're all singing	
Spends it all on alcohol		I'm just trying to work out	
Perhaps it's just a rumour		How to be (8) myself	
I'm just trying to work out		I'm just trying to work out	
How to be like myself		These cards I've been dealt	
I'm just (5) to work of	out	I'm just trying to work out	
These cards I've been dealt		How to be like myself	
Because she did it, she did it		I'm just trying to work out	
My bed is forbidden		These (9) I've been of	dealt
He's fitting she isn't			
She keeps her face hidden			
She told them: good riddance
