

Fill in the gaps

Sing by Gary Barlow & The Commonwealth Band

Some words they can't be spoken only sung	(6) it louder, sing it clearer
So hear a thousand voices shouting love	Knowing everyone will hear you
There's a place, there's a time	Make some noise, find your voice tonight
In this life when you (1) what you are feeling	Sing it stronger, sing together
Find your feet, (2) your ground	Make this moment last forever
Don't you see right now	Old and young shouting love tonight
The world is listening to what we say?	Some words they can't be spoken (7) sung
Sing it louder, sing it clearer	To hear a thousand (8) shouting love
Knowing everyone will hear you	And light and hope
Make some noise, find your voice tonight	Just sing, just sing
Sing it stronger, sing together	Just sing, just sing
Make (3) moment last forever	Come all and sing it louder, sing it clearer
Old and young shouting love tonight	Knowing everyone will hear you
To sing we've had a (4) to wait	Make some noise, find your voice tonight
And see a thousand faces celebrate	Sing it stronger, sing together
You brought hope, you brought light	(9) this moment last forever
Conquered fear, no it wasn't always easy	Old and young shouting love tonight
Stood your ground, kept your faith	(10) a thousand voices shouting love
Don't you see right now	
The world is (5) to what we say?
