

## Fill in the gaps

## Sing by Gary Barlow & The Commonwealth Band

Some words they can't be spoken only sung	(13) it louder, sing it clearer
So (1) a (2) voices shouting	ng (14) (15)
love	(16) hear you
There's a place, there's a time	Make some noise, (17) your voice tonight
In this life when you sing (3) you are feeling	Sing it stronger, sing together
Find your feet, stand your ground	Make this moment last forever
Don't you see (4) now	Old and young shouting (18) tonight
The world is listening to what we say?	Some words they can't be spoken only sung
Sing it louder, (5) it clearer	To hear a thousand voices (19) love
(6) everyone will hear you	And light and hope
Make some noise, find (7) voice tonight	Just sing, just sing
Sing it stronger, sing together	Just sing, just sing
Make this moment (8) forever	(20) all and sing it louder, sing it clearer
Old and young shouting love tonight	Knowing (21) will hear you
To (9) we've had a lifetime to wait	Make some noise, find your voice tonight
And see a thousand faces celebrate	Sing it stronger, (22) together
You brought hope, you brought light	Make (23) (24) last forever
Conquered fear, no it wasn't always easy	Old and young (25) love tonight
Stood (10) ground, (11) your faith	(26) a thousand voices shouting love
Don't you see right now	
The world is (12) to what we say?
