

Fill in the gaps

Sing by Gary Barlow & The Commonwealth Band

Some words they can't be spoken only sung	Sing it louder, sing it clearer
So hear a thousand voices (1) love	Knowing everyone (4) (5) you
There's a place, there's a time	Make some noise, (6) your (7)
In this (2) when you sing what you are feeling	tonight
Find your feet, stand your ground	Sing it stronger, sing together
Don't you see right now	Make this moment last forever
The world is listening to what we say?	Old and (8) shouting love tonight
Sing it louder, sing it clearer	Some words they can't be spoken only sung
Knowing everyone will hear you	To hear a thousand voices shouting love
Make some noise, find your voice tonight	And (9) and hope
Sing it stronger, (3) together	Just sing, just sing
Make this moment last forever	Just sing, just sing
Old and young shouting love tonight	Come all and sing it louder, sing it clearer
To sing we've had a lifetime to wait	Knowing everyone will hear you
And see a thousand faces celebrate	Make some noise, find your voice tonight
You brought hope, you brought light	Sing it stronger, sing together
Conquered fear, no it wasn't always easy	Make this moment (10) forever
Stood your ground, kept your faith	Old and young shouting love tonight
Don't you see right now	Hear a thousand voices shouting love
The world is listening to what we say?
