

Bright lights, big city going to my head

Fill in the gaps

Woke up, woke up in New York City lying on the floor		I don't
Just outside of Mercy's West 54, well		Get los
You gonna know my name by the end of the night yeah		I wind
You gonna know my name by the end of the night, well		Somet
Bright lights, big city going to my head		It ain't
Bright lights, big city going to my head		I'm sur
Bright lights, big (1) going to my head		Bright
I don't (2) no, (3)	you don't	Bright
care, no		Bright
Stuck off with the bottle ended it up with the bottle		I don't
Taking shots, waiting on the morrow		You go
Trying to (4) up, was hollow		You go
You gonna know my name		You go
You gonna know my name		You go
Bright lights, big city going to my head		well
Bright lights, big city going to my head		

don't care no, because you don't care, no		
Get lost in this (5) trying to find myself		
wind up, good different persons came down		
Somebody else I know		
It ain't right but this song in my head, oh		
I'm surprised tha I'm (6) alive, I should be dead		
Bright lights, big city going to my head		
Bright lights, big (7) going to my head		
Bright lights, big city going to my head		
don't (8) no, because you don't care, no		
You gonna (9) my name		
You gonna know my name		
You gonna know my name		
You gonna (10) my name by the end of the night,
