Melt Antarctica, saving Africa
I failed algebra and I miss you sometimes
We're at war again
Save the world again
You can all (1) in
But you can't smoke inside
You said "take me home, I can't stand this place
Because there's too many hipsters
And I just can't relate"
You're my neon gypsy, my desert rain
You're my helter skelter
Oh how can I explain
That you're the (2) I ever had
And I'm trying not to get stuck in my head
But I read that soda kills you and Jesus saves
On a bathroom wall where I saw your name
You're the best I ever had
I won't be the same
Night sky full of drones
This (3) of clones
I'm (4) at the crowd and
They're staring at their phones
They groom the coastline here
It's starting to disappear -Oh my God-
And maybe once a year
I think to clean my car
I caught my reflection, I dropped the call
I've been medicating with (5) and
alcohol
I got vertigo, no I can't see straight

I got obligations though I'm usually late But you're the best I ever had And I'm trying not to get stuck in my head But I think I dropped my wallet in Santa Fe Lost the only picture I had of you that day And you're the best I ever had I won't be the same Hey West Virginia, Hey North Dakota I think I love you but don't even know you Hey Massachusetts, Hey Minnesota I think I love you but don't even know you Hey Carolina, Hey Oklahoma I (6)_____ I love you but don't even know you Hey Alabama, Hey California I think I love you but don't even know you You're the best I ever had And I'm trying not to get stuck in my head But I passed a lonely (7)_____ on the interstate Saying "find (8)_____ before it gets too late" You're the best I ever had I won't be the same Hey West Virginia, Hey North Dakota I think I love you but don't (9)____ know you Hey Massachusetts, Hey (10)___ I think I love you but don't even know you Yeah, I won't be the same
