

## Fill in the gaps

Where did all the (1) go?	I'll get it if you need it
They got (2) when the (3)	I'll search if you can't see it
went low	You're thirsty, I'll be rain
I'll get you through it (4) and slow	You get hurt, I'll take your pain
(5) the world's spinning out of control	I know you don't (19) it
(6) of what they (7) lose	But I said it and I still (20) it
Might get scraped or (8) might get bruised	When you heard what I told you
You could beg them, what's the use?	When you get (21) I'll be your soldier
That's why it's called "a moment of truth"	My aim is so true
I'll get it if you need it	I wanna show you
I'll search if you don't see it	I'll try forever
You're thirsty, I'll be rain	I'm never gonna say "surrender"
You get hurt, I'll take your pain	I'll get it if you need it
I know you don't believe it	I'll search if you can't see it
But I said it and I still mean it	You're thirsty, I'll be rain
When you heard what I told you	You get hurt, I'll (22) (23) pain
(9) you get worried I'll be your soldier	I (24) you don't believe it
(10) when times get hard	But I (25) it and I still mean it
At the last moment	When you heard (26) I told you
When you're supposed to charge	(27) you get worried I'll be your soldier
(11) on the longest yard	I'll be your soldier
Oh, they (12) their (13) getting cold	Well, I'll be, oh, I'll be your soldier
(14) here, hiding there	I'll be your soldier
Find (15) underneath the stairs	
(16) (17) everywhere	
Trying to be (18) like a stone
