

Fill in the gaps

Some things crept in under our door	
Silence soaking through the floor	
Pinching like a stone in my shoe	
Some chemical that's breaking down the glue	
That's been biding me to you	
Oh, I feel like I just don't know you anymore	
But I've been burned and	
I've (1) wrong so many times	
We walk in circles the blind (2)	the blind
Well I thought that love (3)	over this house
But you're boarding up the windows now	
We've been leaning on each other so hard	
Tied so tight we wound up miles apart	
Making simple (4) so hard	
Oh, I feel like I just don't know you anymore	
But I've been burned and	
I've been down so many times	
We walk in circles the blind (5)	the blind
We've been disconnected somehow	
There's an invisible wall between us now	

But I ve been wrong and	
I've been down so many times	
We walk in circles the blind leading the blind	
I see the landscape change before my eyes	
The features I've been navigating by	
No, (6) looks the way it did before	
I don't (7) where to look or what to look for	
I feel like I (8) don't (9) you anymore	
But I've been (10) and	
I've been down so many times	
We walk in circles, the blind leading the blind	
We've been disconnected somehow	
There's an invisible wall between us now	
But I've been wrong and	
I've been down so many times	
We walk in circles the blind leading the blind	
We've been disconnected somehow	
There's an invisible wall between us now
