Fill in the gaps

Walk through walls by Kyla La Grange

Did you run through doors	Oh, take this, don't (7) without seeing me
Till you hit the floor?	Oh, (8) here, don't touch without feeling me
Did you read my eyes and my aching thoughts?	And you're two feet away from my arms
Did you walk through walls	But my head is weighed down by the spark
Till you had to crawl?	And it's too (9) to take when you turn
Oh my God your smile	When I (10) haven't seen what I've learned
And my soundless calls	Get up, get up
Get up, get up	My heart is heavy
My heart is heavy	Sit up, sit up, enough already
Sit up, sit up, enough already	Oh, take this, don't look without seeing me
Oh, take this, don't look without seeing me	Oh, stay here, don't touch without feeling me
Oh, (1) here, don't touch without feeling me	Get up, get up
Don't you see?	My heart is heavy
Did the (2) holes?	Do you want to go?
Where the (4) rolled	Sit up, sit up, enough already
Did you lay (5) head as it all took hold?	Did the light leave holes?
Did you spin so slow I didn't see you go?	Oh, take this, don't look without seeing me
Oh, I wish I had, I wish I'd known	Did you lay your head?
Get up, get up	Oh, stay here, don't touch without feeling me
My (6) is heavy	Don't you see?
Sit up, sit up, sit up
