

## Fill in the gaps

Bitten by the (1) on a hard hard day	Hide me sare away
And God I really want you to stay	I wanna see myself painted an invisible grey
Bitten by tears and a burning fear	Feed me to the years
(2) has smeared us (3) on the table	And Iwould make myself harmless as a drawn on tear
There are too many people in this street	(15) don't (16) me in your
There are too many eyes to meet	(17)
So I (4) you wrist and I feel you listless	Like a heavy stone
(5) on the edge of (6) seat	I am carrying my cold heart home
Hide me safe away	I am carrying my cold (18) home.
I wanna see (7) painted an invisible grey	Your (19) has followed me home
Feed me to the years	With unwanted grace I leave you lonely and
And I would make myself harmless as a drawn on tear	We would never (20) a (21)
And please don't hold me in your (8)	piece to fit
(9) a heavy stone	We will remain unfinished puzzles as we say:
I am (10) my (11) heart	Hide me safe away
nome	I wanna see myself painted an invisible grey
Trapped by a breath and hit my head	Feed me to the years
Like a thousand bricks from the sky	And Iwould make myself harmless as a (22) c
And I saw you choke as the last bridge broke	tear
And our fingers (12) goodbye	And please don't (23) me in (24) soul
And there are too many towns stumbling by	Like a (25) stone
And (13) are too many (14) to	(bis)
untie	I am (26) my cold heart home
So leave it there by the tincan chairs	I am (27) my cold heart home
In the pavement swallows our lies
