

Fill in the gaps

Been Better by Kyla La Grange

Tell me none of your longings
I don't need (1)_____ or you
And (2)_____ me none of your wisdom
I don't need your lies or your truths
I've been better when the sky was red
And a face like yours couldn't make me scared
I've been better with the things I said
When I took the lead instead of being lead
Feed me none of your lines
I won't fall for them, because I'll lose
And (3)_____ me to none of my words
I don't (4)_____ them (5)_____ I'm with you
And the cars streak past with a life inside
Why is my life in your eyes?
And the windows glow
With the hearts they've known
Why is my heart never mine?
I've been better when the sky was red
And a face like yours couldn't make me scared

I've been better with the things I said
When I took the lead instead of being lead
I've been better when the sky was red
And a face like yours couldn't make me scared
I've been better with the things I said
When I took the lead instead of being lead
I've been better when the sky was red
And a face like yours couldn't (6)_____ me scared
I've (7)_____ better with the (8)_____ I said
When I took the lead instead of being lead
I've been better when the sky was red
And a face like yours couldn't make me scared
I've been better with the things I said
When I took the lead instead of being lead
I've (9)_____ better, I've been better
I've been better, I've been better oh
