Nothing To Fear by Chris Rea

Fill in the gaps

I feel your heat in dusty whispers
The (1) is cold around your moon
It's getting hard to (2) our distance
I know your time is (3) soon
Don't point your dream on my horizon
Don't take your rose too far from home
Please don't forget we're not each other
Each (4) has black thorns of his own
I see you dancing
Your song is clear
You've got to show me, got to show me
There's (5) to fear
Nothing to fear
I have my loved (6) you have yours
So let us gaze (7) the feast
In God's own name let's eat together
In God's own name please come in peace
See how our children play together
While you and me we stand alone
I know we'll never be each other
If I (8) you leave me alone
I see you dancing
Your (9) is clear
You've got to show me, got to show me
There's (10) to fear
Nothing to fear
