Downtown by Lady Antebellum

Fill in the gaps

Well, all the parties on the streets are talking	You (6) be tired, but I'm not
Storefront mannequins sleeping in the lights	I don't (7) why you don't take me downtown
We used to smoke while we were jaywalking	Like you got anywhere better to be
(1) it was your birthday every other saturday night	You talk it up and give me the go round, round
Knew the band	Like a good time tease
So we never paid our cover	I'm (8) counting on your cancellation
Wrote our names on the bathroom tiles	When I should be counting on you at my door
We never dressed to impress all the others	Did you forget about how we ran around
They would let us in on our (2) back kind of style	I don't know why you don't take me downtown anymore
But boy you know it's been a while	I don't know why you don't take me downtown
I don't know why you don't take me downtown	Like you got anywhere better to be
Like you got anywhere better to be	You talk it up and give me the go round, round
You talk it up and give me the go round, round	Like a good time tease
Like a good time tease	I'm only counting on your cancellation
I'm only (3) on your cancellation	When I should be counting on you at my door
When I (4) be counting on you at my door	Did you forget about how we ran around
Did you forget about how we ran around?	I don't know why you don't take me (9)
I don't know why you don't take me downtown anymore	anymore
Oh anymore	Oh anymore
I got some platforms sitting in the corner	Yeah, I don't know why you don't take me downtown
They wanna stroll on a city sidewalk	I don't know why you don't take me downtown anymore
I got a dress that'll show a little uh uh	I just don't get it
But you ain't getting uh uh	
If you don't come nick me up (5) me off
