Diamonds And Rust by Judas Priest

I'll be damned, here comes your ghost again
But that's not unusual
It's just that the moon is full
And you decided to call
And here I sit, hand on the telephone
Hearing the voice I'd known
A couple of light years ago
Heading straight for a fall
But we both know what (1)_____ can bring
They bring diamonds and rust
Yes we both know what memories can bring
They bring diamonds and rust
Now I see you standing all around and snow in your hair
Now we're (2)_____ out the window of the
crummy (3)_____ over Washington Square
Our breath comes on white clouds, mingles and hangs in the
air
Speaking strictly for me, we both could've died then and there
Now you're telling me you're not nostalgic

Then give me another word for it
You were so good (4)_____ words
And at (5)_____ things vague
'Cause I need some of (6)_____
(7)_____ now
It's all come back too clearly
Yes, I love you dearly
And if you're (8)_____ me diamonds and rust,
I've already paid
But we both know what memories can bring
They bring diamonds and rust
Yes we both know what memories can bring
They bring diamonds and rust
Diamonds, Diamonds and Rust
Diamonds, Diamonds and Rust
Diamonds, Diamonds and Rust
Don't (9)_____ no more diamonds, diamonds and rust

Answer

1. memories
2. smiling
3. hotel
4. with
5. keeping
6. that
7. vagueness
8. offering
9. want
