## Diamonds And Rust by Judas Priest

i ii be damned, nere (1) your gnost again	Then give me another word for it
But that's not unusual	You were so good (8) words
It's just that the moon is full	And at keeping things vague
And you decided to call	'Cause I need some of that vagueness now
And here I sit, hand on the telephone	It's all (9) back too clearly
Hearing the (2) I'd known	Yes, I love you dearly
A couple of (3) years ago	And if you're offering me diamonds and rust, I've already paid
Heading straight for a fall	But we both know what memories can bring
But we both (4) what memories can bring	They bring diamonds and rust
They bring diamonds and rust	Yes we both know what memories can bring
Yes we both know what memories can bring	They bring diamonds and rust
They (5) diamonds and rust	Diamonds, Diamonds and Rust
Now I see you standing all around and snow in your hair	Diamonds, Diamonds and Rust
Now we're smiling out the window of the crummy hotel over	Diamonds, Diamonds and Rust
Washington Square	Don't want no more diamonds, diamonds and rust
Our breath (6) on white clouds, mingles and	
(7) in the air	
Speaking strictly for me, we both could've died then and there
