

Fill in the gaps

Here in the city the measure is frozen		
(1) are screaming nothing is re		
In every small town there's air you can breathe in		
It's not about the money or fast food on wheels		
The lights are too bright for my eyes		
Inside there's a feeling		
That rings like a bell		
I've had enough and I long for the silence		
This place hasn't treated me well		
I have decided to leave this city		
(2) buildings and people bring me down		
I have decided to leave this city		
I think that I'm gonna move to town		
(3) in the city no one's connected		
Careers are controlling everyone's lives		
In (4) small town there's barely possession		
Mothers aren't burdens or grandfathers' wives		
The lights are too bright for my eyes		
Inside there's a feeling		
That rings like a bell		
I've had enough and I long for the silence		

This place hasn't treated me well		
(5) decided to leave this city		
These buildings and people bring me down		
have decided to leave this city		
(6) that I'm gonna move to town		
I won't make a sound		
I won't follow this merry-go-around		
That keeps (7)	round with or without me	
I'm leaving I'm leaving		
(8)(8)	nake my way out of the city	
Tomorrow I'll hop on a train or a bus		
I'll never stop (9)	away from cities	
Where girls don't leave husbands		
For boys like us		
I have decided to leave this city		
These buildings and people bring me down		
have decided to leave this c	ity	
think that I'm gonna move to	town	
think that I'm gonna (10)	to town
