## When We Stand Together by Nickelback

| One (1) depending on a prayer      | We must stand together                 |
|------------------------------------|--|
| And we all look away               | There's no getting even                |
| People (2) everywhere              | Hand in hand forever                   |
| It's just another day              | That's when we all win                 |
| There's (3) flying through the air | That's, that's, that's when we all win |
| And they still carry on            | That's, that's, that's when we all win |
| We watch it happen over there      | The right thing to (8) us              |
| And then just turn it off          | Is right here, inside us               |
| We must stand together             | No one can divide us                   |
| There's no (4) even                | When the light is leading on           |
| Hand in hand forever               | But just like a heartbeat              |
| That's when we all win             | The drumbeat carries on                |
| That's, that's (5) we all win      | And the drumbeat carries on            |
| That's, that's when we all win     | Just like a heartbeat                  |
| They tell us everything's allright | We must stand together                 |
| And we just go along               | There's no getting even                |
| How can we fall asleep at night?   | Hand in hand forever                   |
| When something's clearly wrong     | That's when we all win                 |
| When we (6) feed a starving world  | That's, that's, that's when we all win |
| With what we throw away            | That's, that's, that's when we all win |
| But all we serve are empty words   |  |
| That (7) tasta the same            |  |
