

Fill in the gaps

stared up at the sun	Washing what you know out the see
Thought of all other people	You can see your life out of the (15) tonigh
Places and things I have loved	If I lose myself tonight
stared up just to see	It'll be by your side
(1) all other faces, you were the one next to me	I (16) (17) tonight
You can feel the (2) start to tremble	If I lose myself tonight
Vashing what you know out to see you	It'll be you and I
ou can see (3) (4) out of the window	Lose myself tonight
onight	(18) us down and we keep trying
f I lose myself tonight	40,000 feet keep flying
t'll be by (5) side	Take us (19) and we (20) trying
(6) (7) tonight	40,000 feet keep flying
f I (8) myself tonight	Take us (21) and we keep trying
t'll be you and I	40,000 feet keep flying
(9) myself tonight	Take us (22) and we keep trying
(10) up (11) the sun	40,000 (23) keep flying
Thought of all (12) people	Lose myself
Places and things I've loved	I lose myself tonight
woke up just to see	
With all other faces, you (13) the one next to me	
ou can (14) the lights start to tremble
