Fill in the gaps

All these kind of places		And I sit and pray
Make it seems like it's been ages		They never feel my strife
And tomorrow sun with (1) s	scrape the	But then my partner called to say
sky		The pension funds were gone
I (2) this (3) dearly		He made some bad investments
I can feel the latter clearly		Now the counts are overdrawn
But never thought (4) be alone to try		I took a walk
Once I was outside Penn station		(5) a walk, take a walk, take a walk
Selling red and white carnations		(bis)
We were still alone, my wife and I		Honey, it's your son
Before we married, saved my money		I (6) I borrowed just too much
Brought my dear wife over		We have taxes, we have bill
Now I work to bring my family stateside		We have a lifestyle to front
Got off the boat, they stayed a while		And tonight I (7) I'll come home
Then scattered across the coast		And we'll (8) love like we're young
Once a year I'll see them for a week or so at most		And tomorrow you'll cook dinner
I took a walk		For the (9) and their kids
Take a walk, take a walk, take a walk		We can rip apart the socialists
(bis)		And all their damn taxes
Practice isn't perfect but the market cuts a loss		You'll see I am no criminal
I remind myself that times could be much worse		I'm down on both bad knees
My wife won't ask me questions		I'm (10) too much a coward
There's not so much to ask		To admit when I'm in need
And she'll never flaunt around an empty purse		I took a walk
Watch my mother lacking		Take a walk, take a walk, take a walk
Just to stay a couple nights		(bis)
And decided she would stay the rest of her life		
I watch my little children
