

## Fill in the gaps

All these kind of places
Make it seems like it's (1) ages
And tomorrow sun with buildings scrape the sky
I (2) (3) country dearly
I can feel the latter clearly
But never thought I'd be alone to try
(4) I was outside Penn station
Selling red and white carnations
We (5) (6) alone, my (7)
and I
Before we married, saved my money
Brought my (8) wife over
Now I work to bring my family stateside
Got off the boat, (9) stayed a while
Then (10) (11) the
coast
(12) a year I'll see (13) for a week or
so at most
I took a walk
Take a walk, take a walk
(bis)
Practice isn't perfect but the (14) cuts a loss
I remind (15) that (16) could be
much worse
My wife won't ask me questions
There's not so much to ask
And she'll never flaunt around an empty purse
Watch my mother lacking
Just to stay a couple nights
And decided she would stay the rest of her life
I watch my little children
Play some boardgame in the kitchen

And I sit and pray
(17) never feel my strife
But then my partner called to say
The pension funds were gone
He made some bad investments
Now the (18) are overdrawn
I took a walk
(19) a walk, take a walk, take a walk
(bis)
Honey, it's your son
I think I borrowed just too much
We have taxes, we have bill
We have a lifestyle to front
And (20) I swear I'll come home
And (20) I swear I'll come home And we'll make (21) like we're young
And we'll make (21) like we're young
And we'll make (21) like we're young And tomorrow you'll cook (22)
And we'll make (21) like we're young And tomorrow you'll cook (22)  For the neighbors and their kids
And we'll make (21) like we're young And tomorrow you'll cook (22)  For the neighbors and their kids We can rip apart the socialists
And we'll make (21) like we're young And tomorrow you'll cook (22)  For the neighbors and their kids We can rip apart the socialists And all their (23) taxes
And we'll make (21) like we're young And tomorrow you'll cook (22)  For the neighbors and their kids We can rip apart the socialists And all their (23) taxes You'll see I am no criminal
And we'll make (21) like we're young And tomorrow you'll cook (22)  For the neighbors and their kids We can rip apart the socialists And all their (23) taxes You'll see I am no criminal I'm down on both bad knees
And we'll make (21) like we're young And tomorrow you'll cook (22)  For the neighbors and their kids We can rip apart the socialists And all their (23) taxes You'll see I am no criminal I'm down on both bad knees I'm just too much a coward
And we'll make (21) like we're young And tomorrow you'll cook (22)  For the neighbors and their kids We can rip apart the socialists And all their (23) taxes You'll see I am no criminal I'm down on both bad knees I'm just too much a coward To admit when I'm in need
