## Blurry by Puddle of Mudd

## Fill in the gaps

Everything's so blurry and everyone's so fake	Well you shoved it in my face
And everybody's empty and (1) is	This pain you gave to me
so messed up	Can you take it all away?
Preoccupied without you I cannot (2) at all	Can you take it all away
My whole world surrounds you, I stumble then I crawl	Well you shoved it in my face
You could be my someone	(6) again to me
You could be my seed	Can you take it all away?
You know that I'll protect you from all of the obscene	Can you take it all away?
I wonder what you're doing, imagine where you are	Well you shoved it in my face
There's oceans in (3) us but that's not very	This pain you gave to me
far	No, (7) told me what you thought
Can you take it all away?	Nobody told me what to say
Can you take it all away?	Everyone showed you where to turn
Well you shoved it in my face	(8) you when to runaway
This pain you gave to me	Nobody told you where I hide
Can you take it all away?	Nobody (9) you what to say
Can you take it all away?	Everyone shows you where to turn
Well you shoved it in my face	Showed you where to runaway
Everyone is changing	Can you take it all away?
There's no one left that's real	Can you take it all away?
To make up your own ending	Well you shout it in my face
And let me know just how you feel	Explain again to me, no
Because I am lost without you, I cannot live at all	Explain again to me
My whole world surrounds you I stumble then I crawl	You take it all, take it all away
Then you (4) be my someone, you could be my	(10) again to me
seed	
You know that I'll save you from all of the unclean	
I wonder what you're doing I wonder where you are	
There's (5) in between us but that's not very	
far	
Can you take it all away?
