

Fill in the gaps

(17)_____

_ alone

(1) up, Maggie	But you turned (15) a lover
I think I got something to say to you	And mother what a lover!
It's late (2) and	You wore me out
I really should be back at school	All you did was wreck my bed
I know I (3) you amused	And, in the morning kick me in the head
But I feel I'm being used	Oh, Maggie, I couldn't (16) (17)
Oh, Maggie, I couldn't (4) tried anymore	anymore
You led me (5) from home	You led me away from home
Just to save you from being alone	(18) to save you from (19) alo
You stole my heart but I love you anyway	You (20) my heart but I love you anyway
The morning sun, when it's in (6) face	I suppose I could collect my books
Really shows your age	And get on back to school
(7) don't (8) me none	Or steal my daddy's cue
In my (9) you're everything	And make a living out of playing pool
I laughed at all of your jokes	Or (21) myself a rock & roll band
My love you didn't need to coax	That needs a helping hand
Oh, Maggie, I couldn't have tried anymore	Oh, Maggie, I couldn't (22) tried anymore
You led me away from home	You made a first-class (23) out of me
(10) to (11) you from being alone	But I'm as (24) as a fool can be
You (12) my heart but I (13) you	You stole my heart but I love you anyway
anyway	
All I needed was a friend	
To (14) a guiding hand
