The last time by Taylor Swift

Fill in the gaps

Found myself at your door	
Just like all those times before	
I'm not sure how I got there	
All roads, they lead me here	
I imagine you at home, in (1) room, all alone	
And you open your (2) (3) mine	
And everything feels better	
Right (4) your eyes I'm breaking	
And fast, no reasons why	
Just you and me	
This is the last time I'm asking you this	
Put my name at the top of your list	
This is the last time I'm (5) you why	
You (6) my heart in the blink of an eye, eye, eye)
You find yourself at my door	
Just (7) all those times before	
You wear your best apology	
But I was there to watch you leave	
And all the time to let you in	
Just for you to go again	
Disappear when you come back	
Everything is better	
And (8) before your eyes I'm breaking	

And fast, nowhere to hide
Just you and me
This is the last time I'm asking you this
Put my name at the top of your list
This is the last time I'm (9) you why
You break my heart in the blink of an eye, eye, eye
This is the last time you tell me I've got it wrong
This is the last time I say it's been you all along
This is the last time I let you in my door
This is the last time I won't hurt you anymore
This is the last time I'm asking you this
Put my name at the top of your list
This is the last time I'm asking you why
You break my heart in the blink of an eye
This is the last time I'm asking you
Last time I'm asking you
Last time I'm asking you this
This is the last time I'm asking you
Last time I'm (10) you
