

Found myself at your door

## Fill in the gaps

| Just (1) all those times before                     |
|---|
| I'm not sure how I got there                        |
| All roads, (2) lead me here                         |
| I imagine you at home, in your room, all alone      |
| And you open your eyes into mine                    |
| And everything feels better                         |
| Right before your eyes I'm breaking                 |
| And fast, no reasons why                            |
| Just you and me                                     |
| This is the last (3) I'm asking you this            |
| Put my name at the top of your list                 |
| This is the last time I'm asking you why            |
| You break my heart in the blink of an eye, eye, eye |
| You find (4) at my door                             |
| Just like all (5) times before                      |
| You wear your (6) apology                           |
| But I was (7) to watch you leave                    |
| And all the time to let you in                      |
| Just for you to go again                            |
| Disappear when you (8) back                         |
| (9) is better                                       |
| And (10) (11) your eyes I'm                         |
| breaking  |

| And fast, nowhere to hide                           |
|---|
| Just you and me                                     |
| This is the last time I'm asking you this           |
| Put my name at the top of your list                 |
| This is the last (12) I'm asking you why            |
| You (13) my heart in the blink of an eye, eye       |
| eye   |
| This is the last time you tell me I've got it wrong |
| (14) is the (15) time I say it's                    |
| (16) you all along                                  |
| (17) is the last time I let you in my door          |
| This is the last time I won't hurt you anymore      |
| This is the last time I'm asking you this           |
| Put my name at the top of your list                 |
| This is the (18) time I'm (19) you                  |
| why   |
| You break my heart in the blink of an eye           |
| This is the last time I'm (20) you                  |
| Last time I'm (21) you                              |
| Last time I'm (22) you this                         |
| This is the (23) time I'm asking you                |
| (24) time I'm (25) you                              |
| Last (26) I'm asking you this                       |
