

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me about (1)\_\_\_\_\_ mother- (en algunas versiones)

</em>Doctor, doctor, could you please just give me something

For the (2)\_\_\_\_\_ I'm in?

I'm having trouble and society believe

I got it wrong again

I'm one month sober

I don't think I'm getting over my predicament

But if I jumped out of the window what would she say?

It's not on me, it's all on you

We can't deny the things we do

I can't believe her pretty feet

Walked over me, all over me

Help me, help me doctor

It seems to be an (3)\_\_\_\_\_ lot for me to understand

I know I'm not a specimen

The troubles and the mess I'm in

I should be dead

He said, let's all think

Then you've had all your fun

It's time to be a man

So you (4)\_\_\_\_\_ (5)\_\_\_\_\_ your bitc\*ing

Think about what the people would say

It's not on me, it's all on you

I can't prescribe what you (6)\_\_\_\_\_ me to

You (7)\_\_\_\_\_ (8)\_\_\_\_\_ sleep, you better leave

He walked (9)\_\_\_\_\_ me, all over me

Wait (10)\_\_\_\_\_ tomorrow, and it's gone

So long

Wait until tomorrow, so long

And it's gone

(11)\_\_\_\_\_ until tomorrow

You beg and steal and borrow till it's gone

-He don't got a lot but he's got all he needs-

I need (12)\_\_\_\_\_ to love

-And all he's got (13)\_\_\_\_\_ it's all that he needs-

Somebody help me because

I could hear the voices in the tube

To get me through anything

I do and anything (14)\_\_\_\_\_ do (15)\_\_\_\_\_ by me

A little pill, a (16)\_\_\_\_\_ thrill

Should I take it? I think I will

And (17)\_\_\_\_\_ (18)\_\_\_\_\_ do

(19)\_\_\_\_\_ so

As (20)\_\_\_\_\_ as it's always too good

Either way I don't (21)\_\_\_\_\_ a d\*mn

(22)\_\_\_\_\_ you people all say

All now boy

It's not on me, it's all on you

I can't deny the things I do

I can't believe her (23)\_\_\_\_\_ (24)\_\_\_\_\_

Walked over me, all (25)\_\_\_\_\_ me

It's not on me, it's all on you

There (26)\_\_\_\_\_ a time to (27)\_\_\_\_\_ the truth

So you can see me when I leave

Walk over you, all (28)\_\_\_\_\_ you yeah

## Fill in the gaps

### Answer

1. your
