

## Fill in the gaps

### American Rejects by The All

<em>-So... (1)\_\_\_\_\_ me about your mother- (en algunas versiones)

</em>Doctor, doctor, could you please just (2)\_\_\_\_\_ me something

For the state I'm in?

I'm having (3)\_\_\_\_\_ and society  
(4)\_\_\_\_\_

I got it wrong again

I'm one month sober

I don't think I'm getting over my predicament

But if I jumped out of the window what would she say?

It's not on me, it's all on you

We can't deny the things we do

I can't (5)\_\_\_\_\_ her pretty feet

Walked (6)\_\_\_\_\_ me, all (7)\_\_\_\_\_ me

Help me, help me doctor

It seems to be an awful lot for me to understand

I know I'm not a specimen

The troubles and the (8)\_\_\_\_\_ I'm in

I (9)\_\_\_\_\_ be dead

He said, let's all think

Then you've had all your fun

It's time to be a man

So you (10)\_\_\_\_\_ quit your bitc\*ing

Think about what the people would say

It's not on me, it's all on you

I can't prescribe what you want me to

You need some sleep, you better leave

He walked over me, all (11)\_\_\_\_\_ me

Wait until tomorrow, and it's gone

So long

Wait until tomorrow, so long

And it's gone

(12)\_\_\_\_\_ until tomorrow

You beg and (13)\_\_\_\_\_ and borrow (14)\_\_\_\_\_  
it's gone

-He don't got a lot but he's got all he needs-

I (15)\_\_\_\_\_ someone to love

-And all he's got (16)\_\_\_\_\_ it's all (17)\_\_\_\_\_ he  
needs-

Somebody help me because

I could hear the voices in the tube

To get me through anything

I do and anything will do (18)\_\_\_\_\_ by me

A little pill, a little thrill

Should I take it? I (19)\_\_\_\_\_ I will

And anything will do (20)\_\_\_\_\_ so

As long as it's always too good

Either way I don't give a d\*mn

What you people all say

All now boy

It's not on me, it's all on you

I can't (21)\_\_\_\_\_ the things I do

I can't believe her pretty (22)\_\_\_\_\_

(23)\_\_\_\_\_ over me, all over me

It's not on me, it's all on you

There comes a (24)\_\_\_\_\_ to speak the truth

So you can see me when I leave

Walk (25)\_\_\_\_\_ you, all over you yeah
