

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me about your mother- (en  
(1)\_\_\_\_\_ versiones)  
</em>Doctor, doctor, could you please just give me  
something  
For the state I'm in?  
I'm having (2)\_\_\_\_\_ and society  
(3)\_\_\_\_\_  
I got it wrong again  
I'm one (4)\_\_\_\_\_ sober  
I don't think I'm (5)\_\_\_\_\_ over my predicament  
But if I jumped out of the window what (6)\_\_\_\_\_ she  
say?  
It's not on me, it's all on you  
We can't (7)\_\_\_\_\_ the things we do  
I can't believe her pretty feet  
Walked over me, all over me  
(8)\_\_\_\_\_ me, help me doctor  
It seems to be an awful lot for me to understand  
I know I'm not a specimen  
The (9)\_\_\_\_\_ and the mess I'm in  
I should be dead  
He said, let's all think  
Then you've had all your fun  
It's time to be a man  
So you better quit (10)\_\_\_\_\_ bitc\*ing  
Think about what the people would say  
It's not on me, it's all on you  
I can't prescribe what you want me to  
You need some sleep, you better leave  
He walked over me, all over me  
Wait (11)\_\_\_\_\_ tomorrow, and it's gone  
So long

Wait until tomorrow, so long  
And it's gone  
Wait until tomorrow  
You beg and (12)\_\_\_\_\_ and borrow (13)\_\_\_\_\_  
it's gone  
-He don't got a lot but he's got all he needs-  
I need someone to love  
-And all he's got well it's all that he needs-  
Somebody (14)\_\_\_\_\_ me (15)\_\_\_\_\_  
I (16)\_\_\_\_\_ hear the voices in the tube  
To get me through anything  
I do and anything will do good by me  
A little pill, a little thrill  
Should I take it? I think I will  
And anything will do good so  
As long as it's always too good  
Either way I don't give a d\*mn  
What you people all say  
All now boy  
It's not on me, it's all on you  
I can't deny the things I do  
I can't believe her (17)\_\_\_\_\_ feet  
Walked (18)\_\_\_\_\_ me, all over me  
It's not on me, it's all on you  
There (19)\_\_\_\_\_ a (20)\_\_\_\_\_ to speak the truth  
So you can see me (21)\_\_\_\_\_ I leave  
Walk (22)\_\_\_\_\_ you, all over you yeah
