### American Rejects by The All

<em>-So... tell me about (1)\_\_\_\_\_ mother- (en  
(2)\_\_\_\_\_ versiones)

</em>Doctor, doctor, could you (3)\_\_\_\_\_ just give  
me something

For the state I'm in?

I'm having trouble and society believe

I got it wrong again

I'm one month sober

I don't think I'm getting (4)\_\_\_\_\_ my predicament

But if I (5)\_\_\_\_\_ out of the window what would she  
say?

It's not on me, it's all on you

We can't (6)\_\_\_\_\_ the (7)\_\_\_\_\_ we do

I can't believe her pretty feet

Walked over me, all over me

(8)\_\_\_\_\_ me, help me doctor

It seems to be an awful lot for me to understand

I (9)\_\_\_\_\_ I'm not a specimen

The troubles and the mess I'm in

I should be dead

He said, let's all think

Then you've had all your fun

It's time to be a man

So you better quit your bitc\*ing

Think about what the people would say

It's not on me, it's all on you

I can't (10)\_\_\_\_\_ (11)\_\_\_\_\_ you  
(12)\_\_\_\_\_ me to

You (13)\_\_\_\_\_ some sleep, you better leave

He walked over me, all over me

Wait until tomorrow, and it's gone

So long

Wait (14)\_\_\_\_\_ tomorrow, so long

And it's gone

Wait until tomorrow

You beg and steal and borrow till it's gone

-He don't got a lot but he's got all he needs-

I need (15)\_\_\_\_\_ to love

-And all he's got (16)\_\_\_\_\_ it's all that he needs-

Somebody help me (17)\_\_\_\_\_

I could hear the voices in the tube

To get me through anything

I do and anything (18)\_\_\_\_\_ do good by me

A little pill, a (19)\_\_\_\_\_ thrill

Should I take it? I think I will

And anything will do good so

As long as it's always too good

Either way I don't (20)\_\_\_\_\_ a d\*mn  
(21)\_\_\_\_\_ you people all say

All now boy

It's not on me, it's all on you

I can't (22)\_\_\_\_\_ the things I do

I can't (23)\_\_\_\_\_ her pretty feet

Walked over me, all over me

It's not on me, it's all on you

There comes a time to speak the truth

So you can see me when I leave

Walk over you, all over you yeah
