

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me about your mother- (en algunas versiones)

</em>Doctor, doctor, could you (1)\_\_\_\_\_

(2)\_\_\_\_\_ give me something

For the state I'm in?

I'm (3)\_\_\_\_\_ trouble and (4)\_\_\_\_\_

believe

I got it (5)\_\_\_\_\_ again

I'm one month sober

I don't think I'm (6)\_\_\_\_\_ (7)\_\_\_\_\_ my

predicament

But if I jumped out of the window what would she say?

It's not on me, it's all on you

We can't deny the things we do

I can't believe her pretty feet

(8)\_\_\_\_\_ over me, all over me

Help me, help me doctor

It seems to be an awful lot for me to understand

I know I'm not a specimen

The troubles and the mess I'm in

I should be dead

He said, let's all think

Then you've had all (9)\_\_\_\_\_ fun

It's (10)\_\_\_\_\_ to be a man

So you better quit (11)\_\_\_\_\_ bitc\*ing

Think (12)\_\_\_\_\_ what the people would say

It's not on me, it's all on you

I can't prescribe (13)\_\_\_\_\_ you want me to

You need (14)\_\_\_\_\_ sleep, you better leave

He walked over me, all over me

Wait until tomorrow, and it's gone

So long

(15)\_\_\_\_\_ until tomorrow, so long

And it's gone

(16)\_\_\_\_\_ (17)\_\_\_\_\_ tomorrow

You beg and steal and borrow till it's gone

-He don't got a lot but he's got all he needs-

I (18)\_\_\_\_\_ someone to love

-And all he's got well it's all that he needs-

(19)\_\_\_\_\_ help me because

I could hear the voices in the tube

To get me through anything

I do and anything will do good by me

A little pill, a little thrill

Should I take it? I think I will

And anything will do good so

As long as it's (20)\_\_\_\_\_ too good

Either way I don't give a d\*mn

What you people all say

All now boy

It's not on me, it's all on you

I can't deny the (21)\_\_\_\_\_ I do

I can't believe her pretty feet

Walked over me, all over me

It's not on me, it's all on you

There (22)\_\_\_\_\_ a (23)\_\_\_\_\_ to speak the truth

So you can see me (24)\_\_\_\_\_ I leave

Walk over you, all (25)\_\_\_\_\_ you yeah
