

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me about your mother- (en algunas versiones)  
</em>Doctor, doctor, could you please just give me  
something  
For the (1)\_\_\_\_\_ I'm in?  
I'm having (2)\_\_\_\_\_ and society believe  
I got it wrong again  
I'm one (3)\_\_\_\_\_ sober  
I don't think I'm (4)\_\_\_\_\_ over my predicament  
But if I jumped out of the (5)\_\_\_\_\_ (6)\_\_\_\_\_  
would she say?  
It's not on me, it's all on you  
We can't (7)\_\_\_\_\_ the things we do  
I can't believe her pretty feet  
Walked over me, all over me  
Help me, help me doctor  
It seems to be an awful lot for me to understand  
I know I'm not a specimen  
The (8)\_\_\_\_\_ and the (9)\_\_\_\_\_ I'm in  
I should be dead  
He said, let's all think  
Then you've had all (10)\_\_\_\_\_ fun  
It's time to be a man  
So you better quit your bitc\*ing  
Think about what the people would say  
It's not on me, it's all on you  
I can't prescribe what you want me to  
You need some sleep, you better leave  
He walked over me, all over me  
Wait until tomorrow, and it's gone  
So long

Wait until tomorrow, so long  
And it's gone  
Wait until tomorrow  
You beg and (11)\_\_\_\_\_ and borrow (12)\_\_\_\_\_  
it's gone  
-He don't got a lot but he's got all he needs-  
I (13)\_\_\_\_\_ someone to love  
-And all he's got well it's all that he needs-  
Somebody help me (14)\_\_\_\_\_  
I could hear the voices in the tube  
To get me (15)\_\_\_\_\_ anything  
I do and (16)\_\_\_\_\_ (17)\_\_\_\_\_ do good  
by me  
A (18)\_\_\_\_\_ pill, a little thrill  
Should I take it? I think I will  
And anything (19)\_\_\_\_\_ do (20)\_\_\_\_\_ so  
As long as it's always too good  
Either way I don't give a d\*mn  
(21)\_\_\_\_\_ you people all say  
All now boy  
It's not on me, it's all on you  
I can't deny the things I do  
I can't believe her pretty feet  
Walked over me, all over me  
It's not on me, it's all on you  
(22)\_\_\_\_\_ comes a time to speak the truth  
So you can see me when I leave  
Walk over you, all over you yeah
