

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me about your mother- (en algunas versiones)  
</em>Doctor, doctor, (1)\_\_\_\_\_ you please just  
(2)\_\_\_\_\_ me something  
For the state I'm in?  
I'm having trouble and society believe  
I got it wrong again  
I'm one (3)\_\_\_\_\_ sober  
I don't think I'm getting over my predicament  
But if I jumped out of the window what would she say?  
It's not on me, it's all on you  
We can't (4)\_\_\_\_\_ the things we do  
I can't believe her pretty feet  
Walked (5)\_\_\_\_\_ me, all over me  
Help me, help me doctor  
It (6)\_\_\_\_\_ to be an awful lot for me to understand  
I know I'm not a specimen  
The troubles and the mess I'm in  
I should be dead  
He said, let's all think  
Then you've had all (7)\_\_\_\_\_ fun  
It's time to be a man  
So you better (8)\_\_\_\_\_ your bitc\*ing  
Think about (9)\_\_\_\_\_ the (10)\_\_\_\_\_  
(11)\_\_\_\_\_ say  
It's not on me, it's all on you  
I can't prescribe what you (12)\_\_\_\_\_ me to  
You need some sleep, you better leave  
He (13)\_\_\_\_\_ over me, all over me  
Wait until tomorrow, and it's gone  
So long

Wait (14)\_\_\_\_\_ tomorrow, so long  
And it's gone  
(15)\_\_\_\_\_ until tomorrow  
You beg and (16)\_\_\_\_\_ and borrow till it's gone  
-He don't got a lot but he's got all he needs-  
I need someone to love  
-And all he's got well it's all that he needs-  
Somebody (17)\_\_\_\_\_ me (18)\_\_\_\_\_  
I could (19)\_\_\_\_\_ the (20)\_\_\_\_\_ in the tube  
To get me through anything  
I do and anything will do good by me  
A little pill, a (21)\_\_\_\_\_ thrill  
Should I take it? I think I will  
And anything will do good so  
As long as it's (22)\_\_\_\_\_ too good  
Either way I don't give a d\*mn  
What you people all say  
All now boy  
It's not on me, it's all on you  
I can't deny the (23)\_\_\_\_\_ I do  
I can't believe her pretty feet  
Walked over me, all over me  
It's not on me, it's all on you  
There comes a time to speak the truth  
So you can see me when I leave  
(24)\_\_\_\_\_ over you, all (25)\_\_\_\_\_ you yeah
