Have you seen my hands?	I (10) the alarm
Just (1) at (2) shake	I (11) to hear when she would sleep in my arms
And the song just keeps on repeating	But (12) sense says:
Drop the needle again	Hey, turn the record over
And I dance with (3) ghost	Hey, I'll see you on the flip-side
Oh, but (4) ain't the way	There you go, (13) the key and
can't move on and I can't (5) the same	(14) over
And all my (6) say:	Let her go, let (15) (16) lay at
Hey, (7) the record over	her feet
Hey, I'll see you on the flip side	And all my friends say:
There you go, turn the key and engine over	Hey, turn the record over
Let her go, let somebody else lay at her feet	Hey, I'll see you on the flip-side
But have you (8) my heart?	There you go, (17) the key and engine over
Have you seen how it bleeds?	Let her go, let somebody else lay at her feet
And the nights are so (9) baby	Where you used to be
Out here in the deep	Where you used to be
The tick - ticking of hours, lonely	Where you (18) to be here with me
