Fill in the gaps

Doom and gloom by The Rolling Stones

I had a dream last night	Baby (14) a chance
I was piloting a plane	Baby won't you dance with me?
And all the passengers were (1) and insane	Baby won't you dance with me?
I crash landed in a (2) swamp	Fracking deep for oil but there's nothing in the sump
Shot up a horde of zombies	There's (15) all picking at the garbage dump
But I come out on top	I am (16) out of water so I better
What's it all about?	(17) the pump
Guess it just reflects my mood	I am trying to stay (18) but I end up drunk
Sitting in the dirt	We'll be eating dirt
Feeling (3) of hurt	Living on this side of the road
All I hear is doom and gloom	There's some food for thought
And all is darkness in my room	Kind of makes their heads (19)
Through the light, your face I see	Feeling kind of hurt
(4) (5) a chance	But all I hear is doom and gloom
Baby won't you dance (6) me?	And all is (20) in my room
Lost all the treasure in an overseas war	Through the night, your (21) I see
It just (7) to show you don't get (8) you	Baby, (22) on
(9) for	Baby won't you dance with me?
Bowing to the rich and you worry about the poor	Baby won't you (23) with me?
Put my feet up on the couch and lock out the doors	I'm feeling kind of hurt
Hear a funky noise	Baby won't you dance (24) me?
That's the tightening of the (10)	Come on, dance with me
Feeling kind of hurt	(25) sitting in the dirt
Sitting in the dirt	Baby won't you dance with me?
All I hear is (11) and (12)	
But when those drums go boom boom boom	
And through the night, (13) face I see
