

And I'm wasting away, away from you

Fill in the gaps

You had me at hello by A day to remember

I'm missing you so much	And I'm wasting away, away from you
I'll see you die tonight	What have I gotten into this time around?
Just so I can get to you (1) the sun will rise	I know that I had (6) I'd never trust anyone
I know the signs are on and I feel this too	again
None of that seems to matter when I'm holding you	But I didn't have to
And I'm wasting away, away from you	You had me at hello
And I'm wasting away, away from you	-You gave me (7) at the mailbox-
What have I gotten into this time around?	You had me at hello
I know that I had sworn I'd never trust anyone again	-You gave me butterflies at the mailbox-
But I didn't have to	You had me at hello
You had me at hello	(bis)
I've (2) seen a smile	What have I gotten into this time around?
(3) can light the room like yours	I know that I had sworn I'd never trust anyone (8)
It's (4) radiant	
It's even more with everyday that goes by	But I didn't (9) to
I watch the clock so I can make my timing just right	You had me at hello
Would it be okay? Would it be okay?	You had me at hello
If I (5) your breath away	You had me at hello
