

Bless your soul, you've got your head in the clouds

Fill in the gaps

She, she ain't real	You (4) a fool out of me
She ain't gonna be able to love you like I will	And, boy, it's bringing me down
She is a stranger	You made my heart melt
You and I have history	But I'm cold to the core
Or don't you remember?	But rumour has it I'm the one you're leaving her for
Sure, she's got it all	Rumour has it, oh
But, baby, is (1) really (2) you want?	(bis)
Bless your soul, you've got your head in the clouds	All of these words whispered in my ear
She's made a fool out of you	Tell a story that I cannot bear to hear
And, boy, she's bringing you down	Just because I said it, it don't (5) (6)
She made your heart melt	meant it
But you're cold to the core	People say crazy things
Now rumour has it she ain't got your love anymore	Just because I said it, don't mean that I meant it
Rumour has it, oh	Just because you heard it
(bis)	Rumour has it, oh
She is half your age	(bis)
But I'm guessing that's the reason that you strayed	She is half your age
I heard you've been missing me	But I'm (7) that's the reason that you
You've been (3) people things you	strayed
shouldn't be	I heard baby, rumour has it
When we creep up and she ain't around	He's the one I'm (8) you for
Haven't you heard the rumours?
