Let me stay here for just one more night

Build your arms around me

You better pull me to the light

So I can show you that I was wrong

Since I was a child then

But now I'm willing to learn

It's been the time against us

Miles between us

The heavens cried

I know I left you speechless

But now the sky is clearer and it's blue

And I see my future in it you

I'll be waiting for you

When you're ready to love me again

I put my hands up

I'll do everything different

I'll be better to you

I'll be waiting for you

When you're ready to love me again

I put my hands up

I'll be somebody different

Time against us

Miles between us

Heavens cried

I know I left you speechless

Time against us

Miles between us

Heavens cried

I know I left you speechless

I know I left you speechless

But I'll be waiting

I'll be waiting for you

When you're ready to love me again

I put my hands up

I'll do everything different

I'll be better to you

I'll be waiting for you

When you're ready to love me again

I put my hands up

I'll be somebody different

I'll be better to you
