

CHORUS

## Fill in the gaps

But if only you could see them	CHORUS
You would know from (1) faces	Paradise, yeah
There were kings and queens	(Love paradise) one in and out is gonna make you feel good
Followed by princes and princesses	(Paradise) coming at you like a hurricane would
There were future (2) people	(Paradise) stay close to me I'll always be by your side
Throwin love to the loveless	Save it, baby, you know that it's all right
Shining a light 'cause they wanted it seen	(Paradise) you remind me of a girl I knew paradise
Well, there (3) cries	(Paradise) born so beautiful once aside her
Well, there were cries of why	(Paradise) you make me feel like I need your love, love, love
Followed by cries of why	Want to fill me with your love
Followed by cries of why not	Fix me with your love, all right
Can I reach out for you if that feels good to me?	CHORUS
CHORUS	CHORUS
And the riders (4) not stop us	Oh, we'll be livin' in a paradise
'Cause the only love they'll find is paradise	Damn well (9) make you feel surely
No, the riders will not stop us	Like you've felt never (10) before I'll
'Cause the only love they'll find is paradise (paradise, yeah)	Give myself to you
Mm, don't you know that racism in among future kings	And if you change your mind
Can only lead to no good? (to no good)	I'll do anything
Besides your, sons and daughters (sons and daughters)	Just to make the world peaceful
Already (5) how (6) feels, one day	Just to make life wonderful
One day (One day)	I will drown all your sorrows
All the queens will gather round	In a future love paradise
Spreading (7) and unity so we can be found	Future love paradise
Well then all the (8) say it's all to do with	Future love paradise
drugs	Damn, well, then make you feel surely
Drugs for the gentlemen	Like you've never felt before
When your love	I'll give myself
Inject me with a love, all right
