

## Fill in the gaps

Everything is so (1) in the summer air	You're the only one for me
Just put behind you	I'm so alone
All the problems that we share	And now I really wanna (8) you come along
(2) into the sun, you'll see me and you	I just want you to see
Because now you have the perfect view	You're the only one for me
I'm so alone	Sunny, happy with the (9) no money
And now I really wanna make you come along	I'm thinking you're on holiday
I (3) want you to see	Sipping your lemonade
You're the only one for me	Sunny, happy with the music no money
I'm so alone	I'm thinking you're on holiday
And now I really wanna make you come along	Sipping your lemonade
I just want you to see	So alone, honey, you're the only one for me,
You're the only one for me	So alone, and now I really wanna, so alone, honey
Sunny, happy with the music no money	You're the only one for me
I'm thinking you're on holiday	Sunny, happy with the music no money
Sipping your lemonade	I'm thinking you're on holiday
Sunny, (4) with the music no money	Sipping your lemonade
I'm (5) you're on holiday	Sunny, happy with the music no money
Sipping your lemonade	I'm thinking you're on holiday
Kept my promise and we're (6) on the beach	(10) your lemonade
Now we have each other and it feels so rich	Sunny, no money
Look into the sun, you'll see me and you	Holiday, sipping your lemonade
Because now you have the perfect view	Sunny, no money
I'm so alone	Holiday, sipping your lemonade
And now I really wanna make you (7) along	
I just want you to see
