

Fill in the gaps

Mayday situation overload	"Shut up and kiss me now"
I'm restless, obsessed with your future	And we carry on
And all my worries, they don't bother you	I don't wanna say goodnight
Collected, you (1) me useless	The city (6) alive when we're together
But I carry on	Why can't Thursday (7) forever?
Right now, I think (2) you think that	I don't wanna say goodnight
I'm half-drunk, searching for something of substance	I've (8) been so sure
To casually dropping a line designed	Just do it for the memories
To keep you next to me	Do it for Baltimore
I can't awkwardly craft an advance	And do it for me
I know that you wouldn't fall for that	Do it for me
You say, "shut up and take my hand"	Mayday situation overload
And we carry on	I'm restless, obsessed with your future
I don't wanna say goodnight	And all my worries, they don't bother you
The (3) comes (4) when we're	Collected, you render me useless
together	But I carry on
Why can't Thursday last forever?	I don't wanna say goodnight
I don't wanna say goodnight	The city (9) (10) when we're
I've never been so sure	together
Just do it for the memories	Why can't Thursday last forever?
Do it for Baltimore	I don't wanna say goodnight
And do it for me	I've never been so sure
Hot damn, (5) at me now I'm all caught up	Just do it for the memories
Riding the high of my good luck	Do it for Baltimore
Casually dropping a line designed	And do it for me
To keep you next to me	
I bet you never thought you would fall again	
So much for keeping this just friends
