

Fill in the gaps

r wanna wake you up			i wanna say it straight -wanna say it straight-	
I can hardly hear my footsteps			We could be whatever we dream	
In the falling darkness			Something really (4)something really good-	
I can barely wait to see you			Just let yourself get to it	
In your apartment			In (5)	apartment
We were heading for the better (1)		we wanted	We were heading for the better times we wanted	
We were sorry that the distance			We were sorry that the distance	
Took more than we'd prepared			Took (6) than we'd prepared	
We could do it again			Can't you see your own obsessions?	
-we could do it again-			Can't you see you're counting days?	
Just another ending this time			Can't you see I'm only happy	
(2) you ever scared?			When you're in the house?	
-were you ever scared?-			You should know I'm only waiting	
Did you seek for reasons to get			For the times we never had	
Far away from all the travelling			You (7)	know it's all because of
And talking on the phone?			You're not in the house -you're not in the house-	
Can't you see it's only what we've been			Can't you see we're going nowhere?	
Can't you see the threads?			Can't you see you're counting days?	
Can't you see your own obsessions?			Can't you see I'm only happy	
Can't you see you're counting days?			When you're in the house?	
Can't you see I'm only happy			Can't you see my (8) vision?	
When you're in the house?			Can't you see I'm counting days?	
You (3)	know I'm only waiting		You (9)	know I can't be happy
For the times we never had			Till you're in the house	
You should know it's all because of				
You're not in the house
