

Fill in the gaps

I (1) wake you up	I wanna say it straight -wanna say it straight-
I can (2) my footsteps	We (18) be whatever we dream
In the (4) darkness	Something really good -something (19) good-
I can barely wait to see you	Just let yourself get to it
In your apartment	In your apartment
We were heading for the better times we wanted	We were (20) for the better
We were sorry that the distance	(21) we wanted
(5) more (6) we'd prepared	We were sorry that the distance
We could do it again	Took more than we'd prepared
-we could do it again-	Can't you see your own obsessions?
Just (7) ending this time	Can't you see you're counting days?
Were you (8) scared?	Can't you see I'm only happy
-were you ever scared?-	When you're in the house?
Did you (9) for reasons to get	You should know I'm only waiting
Far away from all the travelling	For the times we never had
And (10) on the phone?	You should know it's all because of
Can't you see it's (11) what we've been	You're not in the house -you're not in the house-
Can't you see the threads?	Can't you see we're (22) nowhere?
Can't you see your own obsessions?	Can't you see you're counting days?
Can't you see you're counting days?	Can't you see I'm only happy
Can't you see I'm (12) happy	(23) you're in the house?
When you're in the house?	Can't you see my (24) vision?
You should know I'm only waiting	Can't you see I'm counting days?
For the (13) we (14) had	You should (25) I can't be happy
You (15) it's all	Till you're in the house
17) of	
You're not in the house
