## Mr. Rock & Roll by Amy Macdonald

So (1) Mr. Rock And Roll	But now he wants to be free, free so he can see
Is dancing on his own again	And they'll meet one day
Talking on his phone again	Far away and say:
To (2) who (3) him that his	I (11) I was (12) more
palance is low	And they'll meet one day
He's got no (4) to go	Far away and (13)
He's on his own again	I (14) I (15) you, I (16) I
Rock chick of the century	knew you before
Is acting like she (5) to be	He (17) I wish I (18) you,
Dancing like there's no one there	I wish I met you when time
Before she never (6) to care	Was (19) on my side
Now she wouldn't dare	She'll say: I wish I knew you
It's so rock and (7) to be alone	I wish I loved you before I was his bride
And they'll meet one day	And so they (20) depart
Far away and say:	Too many more are broken hearts
wish I was something more	But I've (21) all before
And they'll meet one day	In TV, (23) and film and more
Far away and say:	And there's a (24) ending every single day
wish I knew you, I wish I knew you before	And they'll meet one day
Mrs Black and White	Far away and (25)
She's never seen a shade of grey	I wish I was something more
Always something on her mind	And they'll meet one day
(8) single day but now she's lost her way	Far away and say:
And where does she go from here	I wish I knew you, I wish I knew you before
